

Archdiocesan Survey for Young People Ages 16-29

In preparation for the 2018 Synod on Young People, the Faith and Vocational Discernment

“By listening to young people, the Church will once again hear the Lord speaking in today’s world.” (Synod Preparatory Document, p.3)

The Archdiocese of Hartford is requesting that all parishes and schools encourage their young people (ages 16-29) to fill out the Archdiocesan Survey for Young People <https://oeec.typeform.com/to/qPt9f0>. Many dioceses throughout the world are preparing for the 2018 Synod of Bishops, and this survey will help Archbishop Blair develop his report on the youth of the Archdiocese of Hartford for that Synod.

More importantly, this survey will be beneficial for our Archdiocese, as it strives to hear and respond to the voice of our youth and young adults, who will have the chance to express their thoughts and concerns about their faith and values. Please help us by going to the website listed above and participating in the survey. Our goal is to reach as many young people in the Archdiocese as possible, so feel free to forward this website address widely.

Survey deadline is Friday July 21, 2017.
